Creating Therapeutic Stories

A model of Creating Therapeutic Story Books for a child told through their favourite characters

Facilitators: Suzanne McGladdery and Karla Burley

Aim
To provide a framework for Creating Therapeutic Stories

Objectives

- To gain an understanding of the Creating Therapeutic Stories process, what this means for a child, and how to apply it.
- To understand the differences between providing intensive TLSW and Therapeutic Stories.
- To examine underpinning theory.
- To enhance your development of Creating Therapeutic Stories
- To develop your own "how-to manual" and resource material for reference and support.
- Understand the importance of using age appropriate language in Therapeutic Stories.
- To prepare and equip participants with the tools for creating Therapeutic Stories and incorporating this way of working into practice.

Online 3-Day Programme:
21st January, 18th February and 18th March 2021.
